

Nothing Compares 2 U

Prince

F **C**
It's been seven hours and thirteen days
B **F C**
Since you took your love away
F **C**
I go out every night and sleep all day
B **F C**
Since you took your love away
F **C**
Since you've been gone I can do what ever I want
B **F C**
I can see whomever I choose
F **C**
I can eat my dinner in a fancy restaurant, But
B **G**
nothin', I said nothin' can take away these blues, `Cause
B **F** **B** **F C**
nothing compares, nothing compares 2 U
F **C**
It's been so lonely without you here
B **F C**
I'm like a bird without a song
F **C**
Nothing can stop these lonely tears from falling, Tell me
B **C**
baby, where did I go wrong?
F **C**
I could put my arms around every girl I see
B **F C**
But they'd only remind me of you
F **C**
I went to the doctor and guess what he told me, guess what he told me
, He said,
B **G**
Boy you better try to have fun no matter what you do, but he's a fool
, `Cause
B **F** **B** **F C**
nothing compares, nothing compares 2 U
F **C**
All the flowers that you planted, in the backyard
B **F C**
All died when you went away
F **C**
I know that living with you baby was sometimes hard
B **G**
But I'm willing to give it another try
B **F** **B** **F C**
Nothing compares, nothing compares 2 U
