

One of Your Tears

Prince

Did U get the tape I sent U
I thought it be better in a song
Better than the used condom U sent me
Baby that was wrong
All the things a brother had 2 picture
I see him doing things witcha
I see his hand in the small of your back
I see his face in between
The king and queen in fact
Sometimes I wanna die and comeback as one of your tears

If I could just disappear
Ceace 2 exist
Ceace 2 be here
Want me
U don't want me, I'm not worth the air that I breathe
I wish I could dissappear
Sometimes I wanne die and comeback as one of your tears
(Shoodebedotedoom)
I'm dying
Sometimes I wanne die and comeback as one of your tears
Sometimes I wanne die and comeback as one of your tears
