

Orgasm

Prince

Come on
Come on
Don't be shy, it's only U and I
Isn't that what U want?
Oh yeah

Oh here I come

Come on then

Keep going
Keep going
Oh yeah
Keep going
Yeah

Here I, here I, here I come
(come with me)
Now
Come

Imagine what U look like from across the room
u're almost there

Come

Oh yeah

I love U
