```
Come on
Come on
Don't be shy, it's only U and I
Isn't that what U want?
Oh yeah
Oh here I come
Come on then
Keep going
Keep going
Oh yeah
Keep going
Yeah
Here I, here I, here I come
(come with me)
Now
Come
Imagine what U look like from across the room
u're almost there
Come
Oh yeah
I love U
```
