

# Play In The Sunshine

Prince

Oooh Doggies!  
We wanna play in the sunshine  
We wanna be free  
Without the help of a Margarita or Exstasy  
We wanna kick like we used 2  
Sign up on the dotted line  
We gonna dance every dance  
Like it's gonna be the last time

We got 2 play in the sunshine  
Turn all the lights up 2 10  
I want 2 meet U (meet U), kiss U (kiss U),  
love U (love U), and miss U (miss U)  
Do it all over again, do it all over again

We gonna play in the sunshine  
We're gonna get over  
I'm feelin' kind of lucky 2 night  
I'm gonna find my 4-leaf clover  
Before my life is done  
Some way, some how, I'm gonna have fun

Play in the sunshine

We gonna love all our enemies  
Till the gorilla falls off the wall  
We're gonna rock him  
We're gonna roll him  
We're gonna teach him that love will make him tall (somehow)

Aah, pop goes the music  
When the big white rabbit begin 2 talk  
And the color green will make your best friends leave ya  
It will make them do the walk  
But that's cool  
Cuz one day, everyday will be a yellow day  
and let's play

We gonna play in the sunshine  
We're gonna get over  
I'm feelin' kind of lucky 2 night  
I'm gonna find my 4-leaf clover  
Before my life is done  
Some way, some how, I'm gonna have fun

Play, play, play, play, play, play, play  
We gonna play in the sunshine  
We're gonna get over  
I'm feelin' kind of lucky 2 night  
I'm gonna find my 4-leaf clover  
Before my life is done  
Some way, some how, I'm gonna have fun

(play), (play),  
(play) no, (play) no, (play) no  
(come on, play) no!, (play) no!, (playplayplay) Yes!

Drummer, do your thang  
Drummer, drummer, do your thang  
Drummer, drummer, drummer  
can I get some of that?

Let's get out of here (yeah)  
(lalalalalalala play, laugh in the sunshine)  
we're not afraid 2 (play, laugh in the sunshine)  
we are going 2  
(play, laugh in the sunshine)  
(play, laugh in the sunshine)  
la la la
