

Pretzelbodylogic is so much fun  
Dreamin' of each other  
On each others tongue  
Taste the bittersweet undone  
Now we both too sleepy to get the gun

Wake up

Hear the plane hummin' back on the run  
One hour of sleep between 'em Better than none  
Promoter tried to rob her We said, "go 'head son!"  
Cuz we both too sleepy  
To get the gun

Pretzelbodylogic is so much fun  
Dreamin' of each other  
On each others tongue  
Taste the bittersweet undone

Banks on holiday credit's overrun  
Somebody else's problem  
Too tired for another one  
Pull the shades hunny  
Black out the sun  
I need a little more rest  
Then we'll do what needs to be done

Pretzelbodylogic is so much fun  
Dreamin' of each other  
On each others tongue  
Taste the bittersweet undone  
Now we both to sleepy to get the gun

Limo on the tarmac ready to ride  
Cutie pie driver said,  
"Get inside!"  
Another limousine about to get a load  
Put your seat back now its 1, 2, 3 for the road

Pretzelbodylogic is so much fun  
Dreamin' of each other  
On each others tongue  
Taste the bittersweet undone  
Now we both to sleepy to get the gun
