(Come with it) The main problem with war Is that nobody ever wins The next generation grows up And learns how 2 do it all over again. No matter who started the argument Just matters how each one ends How many people really want resolution? The main problem with people Is they never do what they say (They say) 1 minute they want peace (Want peace) Then do everything 2 make it go away Dropping bombs on each other In the act of saving face Tell me now people how is that resolution? Either U do or U don't Either U will or U won't Making amends (Make amends) Is a difficult pill 2 swallow What can we lose if we try ? With no water, a flower dies With no1 2 lead resolution will follow (Ohh, Yes it will) Resolution Love is like a circle No beginning and no end A broken heart will mend If U love it like Ur best friend Handle Ur heart with care It's as delicate as a wing When the storms come again Pray for resolution Either U will or U won't (Either U will or U won't) Either U do or U don't

Tell me

All over the world (La,la,la,la,la)
All over the world (Do, do, do, do, do)

Will U want resolution ? (Either U do or U don't)

Come On eveybody
