

Te Amo Corazon

Prince

At 42,000 feet above the sea
That's where you and I first came to be
From the dust of the earth and the knowledge tree
Te amo corazon

At last I can tell you what I've known so long
My heart's been crying out to sing this song
I don't care who knows it
'cause there's nothing wrong
Te amo corazon

I'm so scared of losing you
I really don't know what I'd do
Can't bear the thought of another day apart
My heart, my heart, corazon

Once when I first laid eyes on you
I saw heaven and earth anew
Everyone else saw my brown eyes no longer blue
Te amo corazon

At first I couldn't find the words to say
How much you changed me in every way
I just wanna thank you
Each and every day
Te amo corazon
