

# The Max

Prince

Where are u?  
U can relax now, the Max is in control  
Go... yeah yeah

When my back is so far back it's on the other side of the wall  
When half a chance is all I get if I get a chance at all  
When the going gets tougher than the tough can go  
I grind the axe - that's when I go, I go, I go 2 the max. I go

The max - Yo baby, tell me where the party's at  
The max - Yo baby, I wanna shuffle the cards in that stack (I go)  
The max - We can dance if u want 2, but I might break yo back  
The max - More funk for your buck u can bet on that

When they tell me 2 walk a straight line  
I put on crooked shoes  
When they tell me that I can't live forever  
I pay some overdues (Kick it)  
When they start makin' up a crazy rule  
That's when I break a back  
Cuz when I go, I go, I go 2 the max. I go

The max - Yo baby (oh yeah), tell me where the party's at  
The max - Yo baby, I wanna shuffle the cards in that stack (oh, yeah yeah)  
The max - We can dance if u want 2 (ooh yeah), but I might break yo back  
(2 the max)  
The max - More funk for your buck u can bet on that

Let's go  
Let's go  
Let's go  
Let's go  
Oh, yeah yeah!

(Dig it) When my body starts to shiver from the chill of  
The scarlet sweat  
When my lips eclipse the sun and the moon  
Reflecting from the wet  
When the blood of my love outraces  
Every one of the stallions in your pack - that's when  
U go, u go, u go 2 the max. U go

The max (2 the max)  
The max (oooh, get funky)  
The max (get-get-get funky) (2 the max)  
The max (get funky)

Let' go  
I think I'm gonna like this

Let's go (dance)  
I wanna dance  
Let's go  
Let's go  
Let's go (Oh yeah yeah! )

I go 2 the max

I'm not afraid (oh my god)  
I wanna dance

Then listen -  
When the going gets tougher than the tough can go  
I grind the axe - that's when I go, I go, I go 2 the max. I go

The max - Yo baby, tell me where the party's at  
The max - Yo baby, I wanna shuffle the cards in that stack  
The max - We can dance if u want 2, but I might break yo back  
The max - More funk for your buck u can bet on that

This is the max

Dear love, dear love, dear love  
Forgive me 4 my sins  
But u left me in such a cold cold world to suffer in (kick it)  
And Contrary 2 popular belief  
Even though one's life is brief  
If u go there once u  
Come again and again and  
Let's go

[I'm so sorry for u...]

This is the max
