Ah-ooh, ah-ah-ooh, ah-ah-oh-ooh (2x) It's late and I'm running out of clever things 2 say The kind that will bring a girl like U 2 tears There's only one more glass of this rose Let's throw it on the fire with our past And dance the night away until... The sun, the moon and stars Don't seem as far as they did yesterday The sun, the moon and stars In love we R - 4ever, always It's late and I think it's about time 4 U and me 2 get closer... 2 get closer than we ever did before (ooh) Whenever there's a tide U can let it ride inside your interior Lay back, relax upon my shore (Ooh) Ooh-ooh baby, I wanna make love 2 U right here One inside the other one - no fear, we're here until... The sun, the moon and stars Don't seem as far as they did yesterday The sun, the moon and stars In love we R - 4ever, always Blow out this candle sunlight And come lay down next 2 me And paint another rainbow - ooh-wee (ooh-wee) Eclipse this light with extasy Come on, come on Let's lay down I'm walking out of what to say That kind of lucky rhyme Make a chippy wanna say: "Whisper in the belly 2 me rocking rose" Do U like I do Come on and dance the night away Let's lay before they get to close the door U and me, we got 2 get down on the floor Come on, let the tide ride in and off the shore I wanna love U once again - and then some more Lay your head back I got my hand behind your head Like U do the limbo supple on the bouncy bed Let's bouncing on the summer spring And when U start 2 fall U come like a cold winter due in Montreal (Come on baby) (The sun, the moon and stars) - hey-hey, hey-hey (The tide ride) - hey-hey, hoo-hoo (The tide ride - hou)
