

# I Be On

## Problem

(Intro)

You know I'm harder than you  
Ridin around not getting at ass niggas  
Dumb fly niggas  
Nah nigga, uh man

(Hook)

Every time you see me I be on, I be on  
Every time you see me I be on, I be on  
Every time you see me I be on,  
Every time you see me I be on,  
Every time you see me I be on,  
Every time you see me I be on

(Verse)

Every time you see me I be on,  
Fuck on who? I can smoke up on half a zone  
I'm like a captain, drop the dozen in my liquor  
I'm a dog, yea I fuck before I kiss er  
Diamond Lane again, I'm ridin for my team  
Real up on me and you see just what I mean  
Well you better pray to Lord before you cross me  
I don't teach it like the niggas, never watch me  
And that means he getting money for you dug bitches  
Stay high, so I get to these young bitches  
Money talkin, all these hoes love my lingo  
Don't know it's big as this dick on my ego  
It's all the niggas and I know because the moves that I be makin  
I am the man because the risks that I done taken  
Just tick some more dust, now my whole body is shakin

(Hook)

Every time you see me I be on, I be on  
Every time you see me I be on, I be on  
Every time you see me I be on,  
Every time you see me I be on,  
Every time you see me I be on,  
Every time you see me I be on

(Verse)

To get high ass me yo ass gon need a ladder  
My girl a dime, my other bitches swear they badder  
Swag on foolies, on my mind don't let me think  
I'm callin, have my youngins knockin I don't question  
Holy Water, oh my God I freakin feel it  
Any pussy in my way I freakin kill it  
Where that molly? Give it here, I pop it now  
Call up yo girl to her house then knock it down  
Every day it's about dollars so you know I'm out here cakin  
They go on top 'cause of the risks that I done taken  
Haters got a mind, yea I see they body achin  
I don't know about you but

(Hook)

Every time you see me I be on, I be on  
Every time you see me I be on, I be on  
Every time you see me I be on,

Every time you see me I be on,  
Every time you see me I be on,  
Every time you see me I be on
