

Let Em Die

Problem

(Intro)

What?

What?

(Hook)

Brother love, niggas

Surrounded by white girls, yea they love niggas

I really was, you just dressin like a drug dealer

Got no love for these motehrfuckin fuck niggas

Fuck, I let em die

(Verse)

Stay with a zip, no fly

Zone getting down while my chauffeur drive

It's precious cargo, it's Diamond Lane

The same niggas fore the garbage can

We going in on yall cus them larger lanes

I keep 3 bad bitches, Frankie Lawton mane

Problem so good, the ideal mane

Money straight like 100 mane

(Hook)

Brother love, niggas

Surrounded by white girls, yea they love niggas

I really was, you just dressin like a drug dealer

Got no love for these motehrfuckin fuck niggas

Fuck, I let em die

Money straight like 100 mane

(Verse)

I made it like I designed it mane

Made them niggas sit back, I reclined the game

I decline the lane but redefined the game

Every flow I know is bout it either time or game

Franklins pay me bitch

Whoever thought talkin shit would make me rich?

Pull out this dick and I bet she strip

Never ever let a thirsty nigga make me piss,

It ain't possible, thought M's was impossible

Now I'm feelin unstoppable

And I'm higher than colossal go

Yea, that's 6 flags

Make a bitch cum fast in that 6 change

Middle to the bitch ass niggas

That's forever with the faking

Just got a young shooter, Nick Young to the Lakers

Let's turn up, put me in the urn if I don't earn up

I burn up this whole fuckin buiding, rollin, 4 wheelin

My only guarantee is taxes and more children

Cuz I'm a motherfucker, fuck a nigga mother while his brother watch

I think I'm bout to buy another watch

Cook cookin boy, I'm more than high

Fuck these niggas from here, I came in for the other other other spots

You know, legendary

Met a few rappers that found out somebody's legend scary as a

What?

(Hook)

Brother love, niggas

Surrounded by white girls, yea they love niggas

I really was, you just dressin like a drug dealer

Got no love for these motehrfuckin fuck niggas

Fuck, I let em die
