

Nasty

Problem

What, ok, I'm on, oh, yeah
Let me start it off

[Hook:]
You could be a stripper,
Or you could be a teacher
You could be a Susan or a Felicia
Long as you nasty as a motherfucker
Hey, nasty as a motherfucker
You can be a student or a drop out
Long as you know what to do
When I pull that cock out
Just be nasty as a motherfucker, as a motherfucker
Nasty as a motherfucker, as a motherfucker

Now bust it open like a bitch sposed to bust it open
Like a kid getting presents on Christmas
Or ride it then I smack it like a new born
Ain't not 10 things better than a thick bitch
Aha, fill it out, lil mama looking like she wanna screw, drill it out
Rolling through mollywood
Say she wanna peel it out
Look into my eyes if you wanna know a real about

Bitch I am so treal I'm familiat what them zillas out
Play the hand you deal, why you go and cut the dealer out
Cause I beat the pussy like a bongo
Show these bitches pronto
In and out your honey, money longer than redundo
Catch up, baby what the deal yo
I work it like a job and I ask her how she feel me though
She like the way I toss think I worth a couple millies now
And I won't tell her different, I just keep fucking for... yo

But first you gotta get off
Everything that you wear
And ride on my like a trolly
Then bounce on me till I bust
Then pop us a few more mollies
And then we can get back to it, to it, to it, to it
