

Violent J, Shaggy, Insane Clown Posee, baby what
From New York to L.A.
From Chile to greece
From New Gandhi to your momma
We gives absolutly no f*cks
Motha f*cka
Natural born serial murderers
Bitch, come and meet your maker

I'm scare like Michael Jack up close
I like diggin up dead bodie
Look at me I'm gross
My name's Violent J but you can call me suphillis
Gonorrhea the clap cause I infected this rap
You wanna know if I could ever kill somebody
Well that's like askin Carlie Manson if he's ever been in jail
I kill family, friends, myself
What, yeah, I'd kill myself if I could only survive
I tried to kill Rob Van Winkle, in fact that's how we met
I went up to kill him and he was thinkin the same shit
I pulled out a chainsawm he pulled out and ax
I was like come-on, wait is that a Stanley, where'd you get that
It's natural and to murder, your gotta have it in you
It's ike a dick all up in you, although I wouldn't now
Look at us natural killas
The world most playa hated rapper
And the most hated group together like woooo!

Mass murders
Natural born killas
I'm not f*cking around
Icky icky ya ya
Icky icky ya ya

Mass murders
Natural born killas
I'm not f*cking around
Icky icky ya ya
Icky icky ya ya

This ain't no blair witch
Beware bitch
I'll pick you're motherf*ckin brain with an icepick
Remember me
The V I see E
Well here's my trilogy
I'm outta captivity
Rap cujo ya know my flow is ferocious
Last survivor with a mouth full of cockroaches
I bring this hocus pocus
You're flying away
Like the last days of the motherf*ckin loafers
I'm the redneck in the moshpit
2 axes come in handy
To answer Violent j, ya damn right it's a stanley
In the shadows of the dark with darkman like spawn
In the dash blazin it up with explosive bombs

I spit homicides like major cities at 11PM
While zipping bodies in the dungeon like the line at GM
Ice mixed with blood is the killers milkshake
Here with the clowns from the underground it's a lyrical deathbreak

Mass murders
Natural born killas
I'm not f*cking around
Icky icky ya ya
Icky icky ya ya

Disrespect me I'll run in your house
Like puffin steam stout
Break both your arms, gun in your mouth
Knock your teeth out with the nose of the fifth
Bullets bust through the back of your head ya die swift
f*ckin wit tha clan, watch what you say
We kill _____
Shoot your with an SK or a AK bitch you gonna die either way
I'm a monster thoroughbred gun holding weed-head
Cross me bet tomorrow you'll be dead
Catch you at a show while you're chilling with your ho
And crack your skull with bottle of Mo
I'm a Sing-Sing killer
Gun groove captain
Brooklyn home of the original gun clappin
Gats get brung, niggas get done
Sons lose fathers and mothers lose sons
I'm a killer

Mass murders
Natural born killas
I'm not f*cking around
Icky icky ya ya
Icky icky ya ya

To die is a fate that must come to us all
But how horrible to be buried alive
From the darkness they shuffle eyes glazed with death
Hand clawing for blood!

Mass murders
Natural born killas
I'm not f*cking around
Icky icky ya ya
Icky icky ya ya
