

# Roller Coaster Smoke

## Punchline

Wake up in the woods  
Wonder where you are  
Hear the people screaming  
Somewhere from afar

Run out on the beach  
This has got to be a dream  
Save all those you can  
Start a new society

I wonder what's out there  
The Roller Coaster Smoke  
I must admit I'm scared  
To see where this will go

The others are coming to take us away  
I don't know what they want cause they never say  
We'll live together or we will die alone  
Yeah, we'll live together or we will die alone  
Yeah, Yeah. Oh, Oh. Yeah, Yeah.

Don't ever tell me what I can and can't do  
You don't control me  
I'm on my feet again  
Do you believe in destiny  
Do you believe in divine intervention  
Traveling through time  
The constant is the key  
I wonder if we'll find out when we're supposed to be

The others are coming to take us away  
I don't know what they want cause they never say  
We'll live together or we will die alone  
Yeah, we'll live together or we will die alone  
Yeah, Yeah. Oh, Oh. Yeah, Yeah.

Take this tape  
The soundtrack to my brain  
Things that I just cannot say to you  
Take this tape  
The soundtrack to my brain  
Things that I've already said to you.
