

# Can't Win

PUP

I've been blessed with shit luck  
There are some things that'll never change  
I get strung out and fed up with the strain  
Get a little more nervous everyday

I just wanna be something  
Never thought I'd be nothing at all

And it feels like I can't win  
I'm growing up and I'm giving in  
And it's starting to hurt  
And it feels like I can't win  
I couldn't wait to be alone again  
And I'm getting worse

Say I never try, but you know I do  
I couldn't live with my 9 to 5  
And I'll regret what I did to you my whole life  
No matter what I do  
I can never get anything right

I just wanna be something  
Never thought I'd be nothing at all

And it feels like I can't win  
I'm growing up and I'm giving in  
And it's starting to hurt  
And it feels like I can't win  
I couldn't wait to be alone again  
And I'm getting worse

I might die of this boredom  
If you don't kill me first  
Chalk it up to apathy  
I had every chance  
I had every opportunity  
That I could want  
And I ruined them all  
I had every chance  
Never thought I'd be  
Nothing at all

And it feels like I can't win  
I'm growing up and I'm giving in  
And it's starting to hurt  
And it feels like I can't win  
I couldn't wait to be alone again  
And I'm getting worse  
I might die of this boredom  
If you don't kill me first
