

Creep around the back door sneak a little peek a loo
Thumb on the bum middle finger in the ringu
Rubber neck round watch me watch you gonna
Tap, Tippy, tap on the Money button till you hum

Front leaning rest big poppa bout facial
show you the difference 'tween my gun and my pistol
Tugging on the dinner bell rope ding a ling dong
Big moon smile after while it's a sing along...
JESUS!

Dinner bell ding a ling dong. Come and get it.
Better eat it up quick or the bitch is gonna get it.
