Lampin' like I'm campin'
Bumpin' fitty with a forty
Whatcha 20, honey, poppa's all alone
Empty hizzy, left me dizzy
I'm a pirate lost his booty
I'm a pimp without a dog without a bone
Where all my honey gone?
Pooh bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
So pardon all the cheesy
Wigger pimp is feelin' crazy
Daisy dukes, my kryptonite, Im fumblin'
My pimpin' hand gone limp
And I'm a trippin' plain and simple
All the po po's, wolves and dogs are Closing in
Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home
Now I know I ain't no player
Heavy hitter, roller, spitter
Those legit can go ahead and giggle on ('Cause mos def)
I ain't no cracka' quitta
Gonna do my best to get 'er back to daddy
Honey, bring your sweet ass home
Where all my honey gone?
Pooh bear be cryin'
Some Oreo cracker song
Wigger be tryin to get his queen to come on home
Where all my honey gone?
Pooh bear be cryin'
Some Oreo cracker song
Wigger be tryin to get his queen to come on home
Where all my honey gone?
Pooh bear be cryin'
Some Oreo cracker song
Wigger be tryin to get his queen to come on home
