

# Dear Friends

Queen

So dear friends

**G A D**

Your love has gone

**D A E7 A**

Only tears to dwell upon

**D Dmaj7 G/B**

I dare not say

**D/A G Dmaj7 Em7**

As the wind must blow

**Dsus4 D**

So a love is lost

**Asus4 A**

A love is won

**D G A D**

Go to sleep and dream again

**D A**

Soon your hopes will rise

**E7 A A Dmaj7 G/B**

And then from all this gloom

**D/A G Dmaj7 E7**

Life can start anew

**A7 G G/F# G/E D**

And there'll be no crying soon
