

I Want You Back

Queensberry

It's hard to say I'm sorry
It's hard to make the things I did undone
A lesson I've learnt too well, for sure
So don't hang up the phone now
I'm trying to figure out just what to do
I'm going crazy without you

CHORUS

You're the one I want
You're the one I needed, yeah
So tell me what to do now
When I want you back

Baby I remember
The way you used to look at me and say
Promises never last forever
I told you not to worry
I said that everything would be all right
I didn't know then that you were right

CHORUS

You're the one I want
You're the one I need
what can I do

You're the one I want
You're the one I Need
Tell me, what can I do

You're the one I want
You're the one I need
Boy, what can I do

CHORUS

You're the one I want
You're the one I need
what can I do

CHORUS
