

Take You Down

R. City

(Worldwide)
Right about now

All that I want is a gyal that bad to the bone
Long black hair caramel skin tone
Meet her in the club after that take her home
And give it to her all night long

Rock your hips from left to right
Love when you move and ah you buss di whine
Just know yuh sleeping in my bed tonight
Girl if that's alright

Could you whine like this
Would you move like that
Make me push it up
Cause you fling it back back back back
You and I at peace
Hundred words exact
I just want to touch
Gyal because you bad bad bad bad

Don't be shy
I know you want the same thing I want tonight (want tonight)
Hold on tight
Baby you know you in for a real good ride
so..

Tonight I'm gonna take you down (down)
Gonna put your arms around me
Ooh gyal I'm gonna lay you down (down)
and Make you feel irie
Tonight I'm gonna take you down

Touch yuh, (feel), feel yuh, (love), love yuh, (hold), hold yuh, (kiss), kis

Gyal yuh bad and slim
But yuh backside round
Take me down to the ground
Push it back right now now now now
From time yuh walked in
Shut the whole place down
Sexiest gyal around
Should be wearing a crown crown crown crown

Don't be shy

Hold on tight
Baby you know you're in for a real good ride
