## I'm Gonna DJ

Death is pretty final, I'm collecting vinyl I'm gonna DJ at the end of the world 'Cause if heaven does exist with a kicking pla list I don't wanna miss it at the end of the world

Hey steady, steady Hey steady, steady I don't wanna go until I'm good and ready

It's on my mind, it's in my mind It's what I've found, it's what I find It's on my mind, it's in my mind It's what I've found, oh my, my, my

Well, I'll spin my way right through it Claims enthusiast Jack Pruitt As I full circle the moon As you're circling the room

The music will provide the light You cannot resist You cannot resist You cannot resist

And the weblines that get tangled As you willied and you wango'ed When you woke up in Seattle Where you fucked and they said no

When you turn the dread throttle Let us raise another bottle Raise another bottle Raise another bottle

Because death is pretty final, I'm collecting vinyl I'm gonna DJ at the end of the world

Hey steady, steady Hey steady, steady I don't wanna go until I'm good and ready

It's on my mind, it's in my mind It's what I've found, it's what I find It's on my mind, it's in my mind It's what I've found, oh my, my, my

Hey steady, steady Hey steady, steady I don't wanna go until I'm good and ready

Hey steady, steady Hey steady, steady I don't wanna go until I'm good and ready

The music will provide the light You cannot resist You cannot resist You cannot resist, yeah
