

Losing My Religion

R.E.M.

Ami

Life is bigger

Emi

It's bigger than you

Ami

And you are not me

Emi

The lengths that I will go to

Ami

The distance in your eyes

Emi

Dmi

Oh no I've said too much

G

I set it up

That's me in the corner

That's me in the spotlight

Losing my religion

Trying to keep up with you

And I don't know if I can do it

Oh no I've said too much

I haven't said enough

F

I thought that I heard you laughing

Ami

I thought that I heard you sing

F

Ami G

I think I thought I saw you try

Every whisper

Of every waking hour I'm, Choosing my confessions

Trying to keep an eye on you, Like a hurt lost and blinded fool

Oh no I've said too much, I set it up

Consider this, The hint of the century

Consider this, The slip that brought me

To my knees failed, What if all these fantasies

Come flailing around, Now I've said too much

I thought that I heard you laughing

I thought that I heard you sing

I think I thought I saw you try

C

Dmi

But that was just a dream

C

C

That was just a dream

That's me in the corner

That's me in the spotlight ...

C

But that was just a dream

Dmi

C

That was just a dream

G

C

Ami

just a dream, just a dream, dream
