Oh My Heart

The kids have a new take A new take on faith Pick up the pieces Get carried away I came home to city half erased I came home to face what we faced This place needs me here to start This place is the beat of my heart Oh my heart Oh my heart (Oh my heart) Oh my heart Oh my heart (Oh my heart) Storm didn't kill me The government changed Hear the answer call Hear the song rearranged Hear the tress, the ghosts and the buildings sing With the wisdom to reconcile this thing It's sweet and it's sad and it's true How it doesn't look bitter on you Oh my heart Oh my heart (Oh my heart) Oh my heart Oh my heart (Oh my heart) Mother and father I stand beside you The good of this world Might help see me through This place needs me here to start This place is the beat of my heart Oh my heart Oh my heart (Oh my heart) Oh my heart Oh my heart (Oh my heart)
