

## Pass Me By

R5

Remember that trip we took in Mexico, yeah  
Hangin' with the boys and all your senioritas  
I never spoke up, yeah I never said hello  
But I keep on tryin' to find a way to meet ya, yeah

I was chillin', you were with him  
Hooked up by the fire  
Now he's long gone  
I'm like "So long"  
Now I've got my chance  
Now I know I got my chance

Like damn, You can be the one that could mess me up  
You can be the one that'll break me  
Damn, all them other girls said they had enough  
You can be the one that'll take me  
I was solo, livin' YOLO  
Till you blew my mind  
Like damn, you can be the one that could mess me up  
I can't let you, can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by

I was tryin' to play too cool to get caught up  
Like, too fun too young to fall to pieces  
I know a girls like you can never get enough  
So I'm addicted, trippin', tryin' to get you to see this

The way I need you, like I'm see through  
Dancin' out my pants  
Got you shooked, caught you looking  
Now I've got my chance  
Now I know got my chance

Like damn, you can be the one that could mess me up  
You can be the one that'll break me  
Damn, all them other girls said they had enough  
You can be the one that'll take me  
I was solo, livin' YOLO  
Till you blew my mind  
Like damn, you can be the one that could mess me up  
I can't let you, can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by

Everywhere I'm lookin', everywhere I go  
A million other guys keep starin' and I know that  
I can be yours and you can be mine  
I just can't let you pass me by by by  
Everywhere I'm lookin', everywhere I go  
A million other guys keep starin' and I know that  
I can be yours and you can be mine  
I just can't let you pass me by by by
