

## Busted

Ra

Do you think I'm a fool,  
A footstool, a dead weight?  
Let's get one thing straight  
While you fornicate.  
I'll show you respect but get wrecked,  
Bet your lives I might ressurect.  
It's so sad that you tried, but you deny it.  
If you want to, but you cannot pry it. (you had sex...)  
You had sex and I wasn't invited.  
I'd like to know how this was decided.

It's alright, it's OK.  
I don't care if you cheat on me today.  
I'm broken, disgusted.  
I'd still love you if you weren't so busted.

So now I see your car,  
Stand the thought to carry on  
About how I meant nothin'  
But you got to get real.  
How I feel for you is black,  
Pull your knife outta my back.  
Damn girl, you gonna cheat on me,  
Beat on me and try to act sweet on me.  
You're so dumb, I can see right through you.  
You couldn't feel me to do you.  
I hope that when you're busy and your gas is on empty,  
You think back about what you done,  
You think long and hard about playing me dirty,  
Acting flirty, getting some, ugh.  
I know you're with another man now.  
Well, two can play that game.  
Her name is Betty, we been going steady,  
And by the way, she hates you already.

It's alright, it's OK.  
I don't care if you cheat on me today.  
I'm broken, disgusted.  
I'd still love you if you weren't so busted.

What's that?  
Who you looking at?  
What you looking at?  
Who you lookin' at now?

What's that?  
Who you looking at?  
What you looking at?  
Who you lookin' at now?

What's that?  
Who you looking at?  
What you looking at?  
Who you lookin' at now?

What's that?  
Who you looking at?

What you looking at?  
Who you lookin' at now?

What's that?  
Who you looking at?  
What you looking at?  
Who you lookin' at now?

What's that?  
Who you looking at?  
What you looking at?  
Who you lookin' at now?

It's alright, it's OK.  
I don't care if you cheat on me today.  
I'm broken, disgusted.  
I'd still love you if you weren't so busted.
