# Vertigo

**Rachael Sage**

Every time I see your face I feel like I'm in pain
Every time I look away I feel more o' the same
Every time I hold your hand, feels like I'm drowning
Every time I let it go I feel vertigo

And I know what I know and I know it's not right
And I should've run far, 'fore you held me tight
And I feel what I feel, feel this is wrong
And I should've run fast, 'fore you led me on on

Every time you tell me secrets and I listen hard
I feel like I'm the parchment and you are the bard
Every time you tell me things I'm not sure you should say
I feel like I'm standing still, running away

And I know what I know and I know it's not right
And I should've run far, 'fore you held me tight
And I feel what I feel, feel this is wrong
And I should've run fast, 'fore you led me on on

And I'm already yours
But you'll never be mine
I should board up these doors
Before I lose my mind

And I know what I know and I know it's not right
And I should've run far, 'fore you held me tight
And I feel what I feel, feel this is wrong
And I should've run fast, 'fore you led me on on
