

# Hurts All Over Again

Rachel Proctor

Tuesday, I was  
Telling Lisa I  
Finally got over you  
Maybe it's time I  
Met that guy she wants to  
Introduce me to

That's when I heard our song  
Somewhere in that restaurant  
And there it was right out of the blue

Just another old time feeling  
A scar I thought was healing  
Every time your memory breaks in  
And you're back under my skin,  
It hurts all over again

Spent the weekend  
Throwing out old things  
And remembering

Found that red dress  
And like a first rate fool  
I put it on again

I could feel you everywhere  
Just like you were standing there  
"Hello, my old friend"

Just another old time feeling  
A scar I thought was healing  
Every time your memory breaks in  
You're back under my skin  
It hurts all over again

Just another old time feeling  
A scar I thought was healing  
Every time your memory breaks in  
You're back under my skin  
It hurts all over again
