Many Shades of Black

Raconteurs

Go ahead, go ahead, go ahead And smash it on the floor Take whatever's left And take it with you out the door...

See if I cry, see if I shed a single sorry tear I can't say that it's been that great No, in fact it's been a wasted-free year

Everybody sees
And everyone agrees
That you and I are wrong
And it's been that way too long

Take it as it comes and be thankful when it's done There's so many ways to act and there's many shades of black There's so many shades of black There's so many shades of black

Let it out (let it all out) let it all out Say what's on your mind You can kick and scream and shout and say things That are so unkind.

Yeah,
See if I care
And see if I stand firm or if I fall
Cause in the back of my mind,
and on the tip of my tongue
is the answer to it all...

And everybody sees
And everyone agrees
That you and I are wrong
And it's been that way too long

Take it as it comes and be thankful when it's done There's so many ways to act and there's many shades of black, There's so many shades of black, Yeah, there's many shades of black

Yeah...
Everybody sees
And everyone agrees
That you and I are wrong
And it's been that way too long

So take it as it comes and be thankful when it's done There's so many ways to act and you cannot take it back no you cannot take it back
there's so many shades of black,
There's so many shades of black,
Yeah, there's many shades of black
there's so many shades of black
there's so many shades of black
Yeah, there's many shades of black
there's so many shades of black
Yeah, there's many shades of black
there's so many shades of black
there's so many shades of black

Oh yeah
