

The Butcher

Radiohead

Beauty will destroy your mind
Spare the gory details
Give them gift wrapped for the man with everything
Though I lived a lonely life
I was confused
A butcher
I feel nothing

As it courses up my arms in position of the worms
Up, up through my heart and to my brain

I'm a big slab of basic combination cut out chopped liver on the block
My heart's still pumping
My heart's still pumping

He's a warrior
A warrior
Here's a little bitch coming outta him
He's a warrior
A warrior
Here's a little bitch coming outta him
Coming outta him.
