

Bedtime

Radish

I think it's past our bedtime; let's go to sleep now, yeah
I think it's past our bedtime; let's go to sleep
I think it's past our bedtime; let's go to sleep now, yeah
I think it's past our bedtime; let's go to sleep

I don't understand the question
I don't understand the question

We crush a flower in heaven, violet envy
We'll waste an hour in heaven, and go to sleep
My inside is out, and you're winning
Her children will not know beginning

I don't understand the question
I don't understand the question
The question
