

# Turn My World Around

Rage

All my life it took me years to find my way  
So hard for me to turn around  
Ain't no way to dry my tears or ease my pain  
I feel like I am burning out

It seems so long ago, it seems so long ago  
Like I have been before  
You taught me humbleness

You turn my world around  
Turn it upside 'n' down  
You turn my world around  
I cry without a sound

All in vain, no second chance to give it back  
You shouldn't have to take it all  
All was stained and then this chain around the neck  
The picture that had made me fall

It is so hard to say, it is so hard to say  
If I can stand this grief  
You gave me bitter years

You turn my world around  
Turn it upside 'n' down  
You turn my world around  
I cry without a sound

You came into my life, took away what I've loved the most  
You dried my heart and you killed my soul

You turn my world around  
Turn it upside 'n' down  
You turn my world around  
I cry without a sound
