

# Another Round

Raheem DeV Vaughn

Baby when I touch you, when I fuck you  
Baby can we go another round?

Said I'm tryna touch your soul, let me know when I'm in it  
Tryna bring out a whole 'nother side for the minute  
You can fight it but you felt it, it's all in your mind  
I got enough to go around, I'm like Tyson when I hit it  
Plus I'm bitin' on your ear like whoa  
You ain't gotta worry or rush it, let's go slow  
See I ain't in a hurry, your body is an aquarium  
I'm just tryna get into it, intimate is the goal  
What you playin' around for? We goin' for round four  
Tryna go Rambo, don't run outta ammo  
We ran outta condoms, let's fuck up the condo  
Beat it like congos, we doin' it pronto  
I love it when I'm done and you beg for a encore  
I love it when you cum 'cause you get what you came for  
But you ain't got a problem swallowin' all your pride  
And you never forget mine

I just, I just, I just, I just want a round  
I just, I just, I just wanna go back downtown  
I love, I love the way you let me beat it in  
I'm drunk, you're drunk with style  
Have to wake up with the Hennessy (Prr, prr)  
(I be on your line when I phone)

When the hotline blings  
You know just what it is  
I want you naked like a bone  
So I can handle my biz  
Get ya high on the good weed  
Wanna get with it  
I got three, four, five more hours in me  
(Swear to God, swear to God)  
[?] (Ooh, ooh, ooh)

Baby when I touch you, when I fuck you  
Baby can we go another round?  
(Ooh, ooh, ooh, ooh)  
Heart beatin', hey-hey hey-hey  
Can we go another round?  
(Ooh, ooh, ooh, ooh)  
Baby when I touch you, when I fuck you slowly  
Can we go another round?  
(Ooh, ooh, ooh, ooh)  
Can we go another round?  
(Ooh, ooh, ooh, ooh)

I just, I just, I just, I just want a sequel  
Rematch, rematch, rematch, hit that with a repeat  
Take that, take that from the wall to the ceiling when I eeh-eeh  
Till we fall off the bed and we breakin' the frame  
Till the neighbors know my name  
Let me give you one more round again
