

# If You Need Somebody

Bonnie Raitt

I hate to see you bummin', but boy, I saw it comin'  
That girl just wasn't meant for you  
I see you goin' through 'em, and nothin' I can do  
And I could kick myself for not tellin' you

The way I feel about you, held back so long

If you need somebody  
To be the one to see you through  
If you want somebody  
Who knows you just the way I do  
If you're tired of searchin', baby  
And your heart's about to run aground  
Only to get turn around  
'Cause I've been waiting

Never could have guessed it, best friends  
Since we were kids, but now I  
Lose it every time that you're near  
With every need dead end, it's gettin' harder to pretend  
When I know all you need is standin' right here

The way I feel about you, held back so long

If you need somebody  
To be the one to see you through  
If you want somebody  
Who knows you just the way I do  
If you're tired of searchin', baby  
And your heart's about to run aground  
Only to get turn around  
'Cause I've been waiting  
(To understand you like I do)

And when you're all alone and your heart keeps saying  
You just can't take it  
Just take a look around and you just might find  
I'm a chance worth takin'

The way I feel about you, a love so strong

If you need somebody  
To be the one to see you through  
If you want somebody  
Who knows you just the way I do  
If you're tired of searchin', baby  
And your heart's about to run aground  
Only to get turn around  
'Cause I've been waiting
