

## Ruby Soho

Rancid

Echoes of reggae comin' through  
my bedroom wall  
havin' a party up next door but  
i'm sittin here all alone  
two lovers in the bedroom  
and the other starts to shout  
all i got is this blank stare  
and that don't carry no clout at all

He's singin and she's there to lend a hand  
he's seen his name on the marquee  
but she will never understand  
once again he's leavin'  
and she's there with a tear in her eye  
embraces with a warm gesture it's time,  
time to say goodbye

Ruby's heart ain't beatin  
cause she knows the feelin' is gone  
she's not the only one who knew  
there's somethin' wrong  
her lover's in the distance as she  
wipes a tear from her eye  
ruby's fading out, she disappears,  
it's time, time to say goodbye
