When She Loved Me

Randy Newman

When somebody loved me Everything was beautiful Every hour we spent together Lives within my heart

And when she was sad
I was there to dry her tears
And when she was happy, so was I
When she loved me

Through the summer and the fall We had each other, that was all Just she and I together Like it was meant to be

And when she was lonely I was there to comfort her And I knew that she loved me

So the years went by
I stayed the same
But she began to drift away
I was left alone

Still, I waited for the day When she'd say "I will always love you"

Lonely and forgotten
Never thought she'd look my way
And she smiled at me and held me
Just like she used to do
Like she loved me
When she loved me

When somebody loved me
Everything was beautiful
Every hour, we spent together
Lives within my heart
When she loved me
