

# You Couldn't Have Come at a Better Time

Rapalje

Where is this place we've come to  
You don't know what to say  
We long to see each other  
And are frightened of that day  
You met me in a barren place  
You walked me to the hill  
We could have been so good for eachother then  
I know we could be still

You couldn't have come at a better time  
You couldn't have come at a better time  
You couldn't have come at a better time  
Not if you try, oh no  
Not if you try, oh no

We have five hundred questions  
Between you and me  
But when you look into my eyes my love  
Tell me what you see  
Is it something you're not sure of  
Is it something true and fine  
Or is it just another case  
Of the right thing at the wrong time

You couldn't have come at a better time  
You couldn't have come at a better time  
You couldn't have come at a better time

Since we were first together  
By the lake side sky so blue  
We were so good for eachother  
Just me and you and me and you and me and you and me  
and you

You couldn't have come at a better time  
You couldn't have come at a better time  
You couldn't have come at a better time  
Not if you try, oh no  
Not if you try, oh no  
Not if you try
