

# Just One Kiss

Raphael Saadiq

It was that one kiss from you  
That changed my life in just a minute, girl  
It was that one kiss from you  
That changed my life into a world of gold  
It was just that kiss from you  
That showed me what I truly needed most  
Needed most  
It was just that kiss from you  
That showed me life can be so beautiful  
Beautiful, beautiful  
Oohooh, oohooh  
Oohooh, oohooh

It's like you're taking the words right out of my mouth  
(Yeah)  
And say exactly how I feel  
(Yeah, yeah)  
I could fool a few, but never you  
Never you  
So I keep trying to find  
Yeah

You sure picked the right time, lady  
(Hmm)  
To come into my life  
(You know I did)  
One kiss from you, one kiss from you  
And then I knew  
Oohooh, oohooh  
That this was something  
Oohooh, oohooh

Just one kiss from you  
That changed my life in just a minute, girl  
(Hmm, yes it did)  
It was just that kiss from you  
(Oohooh)  
That showed me life can be so beautiful  
Beautiful, beautiful  
Oohooh, oohooh  
Oohooh, oohooh

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down
