

Save Us

Raphael Saadiq

Save us, save us
Save us, save us
Save us, save us
Save us, save us

No one know the day, nor the hour
No one know the day, nor the hour
No one know the day, nor the hour
No one know the day, nor the hour

Save us, save us
Save us, save us
Save us, save us
Save us, save us

Oh, save us
No one know the day, nor the hour
No one know the day, nor the hour
