

Let It Snow

Rascal Flatts

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
When we finally kiss goodnight
How I'll hate goin' out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow
Oh, let it snow

It doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
'Cause when we finally kiss goodnight
How I'll hate goin' out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow

As long as you love me so
Let it snow, let it snow, let it snow
Let it snow
