Drop a big bankroll, skip the line to the VI
New bag with the boots, and they knee high
I make my way to the bar, drinks on the house cause I'm a rockstar
Watch me 2 step, I been jiggy with it
I bend that thing over, and I'm so pretty with it
I got the flavor shauty, we call 'm yum yum
Get you geeked up, make 'm go dumb dumb
This is the dance flo, and drop it real low
You on that gray goose, I'm on that XO
Now ride the baseline, and pop it one time
And we go eh eh eh eh till the sun shine

We on the dance flo, now do your dance like
Na na na na na na
We on the dance flo, we on the dance flo
Now do your dance like
Na na na na na na

Bend it over good, pop and drop that ass

Shining like the candy paint on my old school
All I know is how to get get get it
Boys go wild, cause they hit hit hit it

Shauty slow, can't keep up with my tempo
I stand in one place, shake it like a pro
Go blow your kush, take another shot
Now hit the dance flo, and drop it like it's hot
