This shit was all I knew, you and me only, I did it all for you, stil l you were lonely,
If we could have worked it out, but I guess things change,
It's funny how someone else's success brings pain,
when you're no longer involved and that person has it all
and your just stuck standing there...

and your just stuck standing there...
im gon need you to say somethin baby,
say say somethin baby, say somethin baby
say say somethin baby, say somethin baby,
say somethin baby, heyyy say somethin baby ohh

Wish I could pull you out the game, cause it's the thing that made yo u change,

it ain't the money honey, lend me some money honey, thought i was your heart before your black card, You told the world about me but you forgot about me, is it somethin you forgot cause im makin it my adamas watch and its beatin like my heart goin tic toc, tic toc baby look what u done done got me singin this song

This shit was all I knew, you and me only, I did it all for you, stil 1 you were lonely,

If we could have worked it out, but I guess things change, It's funny how someone else's success brings pain, when you're no longer involved and that person has it all and your just stuck standing there... im gon need you to say somethin baby, heyyy say somethin baby ohh

Yo i been grindin so long tryna reach the top of mount i want it all rememberin the days window shoppin at the mall now i walk in the store blow the wistle and ball this aint the picture i painted this is not a warhol you was supposed to ride wit me but you so far gone used to be my biggest fan when i was comin up then when i blew up u act like i aint do enough (damn) i know im not home everynight im dream chasin shoes laced up extra ti ght

if anybody understood probably would be you, told me to sacrifice do what i got to do

i never thought this meant sacrificing you, did all this hard labor t hinkin we'd enjoy the fruits

i could move on but you still gotta piece of me, when you gonna reali ze i did this for you and me

This shit was all I knew, you and me only, I did it all for you, stil 1 you were lonely,

If we could have worked it out, but I guess things change, It's funny how someone else's success brings pain, when you're no longer involved and that person has it all

and your just stuck standing there...
im gon need you to say somethin baby,
say say somethin baby, say somethin baby
say say somethin baby, say somethin baby,
say somethin baby, heyyy say somethin baby ohh
