

# Take 'em To The Bank

Rasheeda

Hahahahaha...

Oh we better have some fun with this one, Frost, okay?

This is just entertainment, people

Y'all ready for this?

Okay

Take 'em to the bank, take 'em, take 'em to the bank

Take 'em to the bank, take 'em, take 'em to the bank

You actin Hollywood like yo ass don't stank

Don't hesitate, take 'em, take 'em to the bank

(2x)

Get in where you fit in, hit him where it hurts

Sometimes it's all about gettin what you deserve

That deadbeat baby daddy shit is for the birds

Givin years of your life and gettin nothin in return?

But stop, all my ladies, can you feel me?

Some we give the benefit, and some we drain empty

Why you think Kim keep havin little Diddy?

If she gotta cash a check she gon' get plenty

Got a question how to get it, better ask Shaq wife

She know how to stash, she know how to give advice

But don't cause too much drama

Or you gon' end up like 50 Cent baby mama

Take 'em to the bank, take 'em, take 'em to the bank

Take 'em to the bank, take 'em, take 'em to the bank

You actin Hollywood like yo ass don't stank

Don't hesitate, take 'em, take 'em to the bank

(2x)

Okay, I gotta take my hat off to Russell

He put Kimora on a multi-million dollar hustle

Speakin of that hustle, the mama ain't trust her

I wonder what that girl Tameka gon' do with Usher (Yeah now)

I heard somebody 'bout to get T-Pain (Shortay)

Now is it me or do Janet got mo' than Jermaine? (Y'all know what this is)

Can't forget about Trina and Lil Wayne (Weezy baby)

She got him for some change and a 12 carat ring

Nelly tried to give Ashanti Brass Knuckles, she ain't want 'em

She rather walk away ownin half of Apple Bottoms (Dirrty)

6 years down, 7 'bout to come up

I wonder if Jay and B signed a pre-nup (It's your boy)

Take 'em to the bank, take 'em, take 'em to the bank

Take 'em to the bank, take 'em, take 'em to the bank

You actin Hollywood like yo ass don't stank

Don't hesitate, take 'em, take 'em to the bank

(2x)

Check it out, just in case your situation different

You better watch out for how Bobby did Whitney

Or Kevin did Britney or J.Lo and Chris

I ain't down with that pay-a-man-alimony shit

Look at Bob J, the first black man with a billion

He had to give his ex-wife 400 million

I bet that's why Oprah ain't marry Stedman

She ain't 'bout to give up half of what she been gettin  
It could be a secret like Mariah and Cannon  
Hold your money tight cause he still a adolescent  
They wasn't lyin when they said we got a secret weapon  
That made me realize bein a woman is a blessin

Take 'em to the bank, take 'em, take 'em to the bank  
Take 'em to the bank, take 'em, take 'em to the bank  
You actin Hollywood like yo ass don't stank  
Don't hesitate, take 'em, take 'em to the bank
