

# Last Waltz

The Rasmus

Make me blind  
Cover my eyes you can do what you want  
I'm paralyzed by the perfect mood  
When we're dancing with blindfolds on  
You make it easy o love you and hate you  
I can't xplane it I feel insecure  
You say it's simple "you die just to live again"  
You say we're waiting for the last waltz

Chorus:  
Another you and me  
Another revolutionary heavenly romance  
waiting for the last waltz  
And so it seems  
We won't find the solution  
confusion leads the dance  
We're waiting for the last waltz

Praise the wine.  
So divine and it stings like a rose.  
Allow the night to flow inside open the window  
and let the wind blow.  
Highlight of the night is the unhappy endind.  
You keep refusing to answer my calls.  
Drop the bending and stop the pretending.  
You say get ready for the last waltz.

I believe that no one this world has the answers for me.  
But still I hope that someone has heard.
