

# Sail Away

The Rasmus

**Am Em Am Em**

vyhravka

**Am**

Once upon a time we had a lot to fight for

**Em**

We had a dream, we had a plan

**Am**

Sparks in the air spread a lot of envy

**Em**

Didn't have to care once upon a time

**Am**

Remember when I swore

my love was never ending

**Emi**

and you and I will never die

**Am**

Remember when I swore

**Em**

We had it all

**D**

We had it all

Sail away, it's time to leave

**C G Ami D**

Rainy days, are yours to keep

**Em D C G**

Fade away, the night is calling my name

**C G Ami D**

You will stay, I'll sail away

Once upon a time we used to burn candles

We had a place to call a home

We dream that we lived

was better than devine

Everyday was like a gift

Once upon a time

Remember when I swore

Your love was never ending

And you and I never die

Remember when you swore

We had it all

We'd never fall...

Sail away, it's time to leave
