Bastards

Rawside

USA striking back, Vietnam died by napalm attack in the middle east they fight for oil burning corpse lies on the soil

Bastards

Bastards-bastards-the war begins money wins the oppressing way USA

USA marches in our land they come here, misery is the end the result when they go home overkill by nuclear storm

They kill our wifes, they kill our land, they kill our kids, this must have an end We say USA go home from our land We say, USA we'll fight, make a stand We say, USA resitance you'll see We say, USA we wanna be free
