

Hate myself

Rawside

I don't wanna live forever
Caus I wanna die
I hate me and also you
it's good to hear a cry

I don't wanna live forever
Caus I wanna die
I hate me and also you
it's good to hear a cry

Hate my live by this time
Hate the world with all the crime
Hate mankind all around
Just one solution I've found

I don't wanna love the people
All around the world
I can't feel the good and beauty
Can't stand the lies I've heard
