False -friends telling you lies
no one helps you, pay the price
STOP THE MADNESS
in school we sat side by side
we were like brothers, every day every night
STOP THE MADNESS
you left me, I don't know why
You, not, a friend, friend of mine
STOP THE MADNESS

Down - Never fall down

Control your life, what drugs have done good friends are gone for all this fun stop this fake, united and strong for you and me and everyone

drugs, a story of the scene and confusion death and destruction and thousands of lies remember yourself, your dreams, your future don't believe in illusions of life lose control, you're standing still wake up before the drugs kill STOP THE MADNESS fucking friends, destroy your health drugs disqualify yourself STOP THE MADNESS fast overkill, you go insane you could stop, you're to blame don't be controlled be in control!
