Sweet Potato Pie

Ray Charles

Oh Lord I feel fine today
I'm walking on cloud nine today
I'm over that line today
Happiness is finally mine today

I guess I'm just a lucky guy
And I'm prepared to tell you why
It's strictly on account of my
Sweet Potato Pie

I'm the fellow that she loves the most The main reason why she left the coast She's my little girlziña
That much hotter that a jalapeño

Tender like a night in June Sweeter than a honeymoon Brighter than a silver spoon Just as crazy as a loon

Softer than a lullabye Deeper than the midnight sky Soulful as a baby's cry My Sweet Potato Pie

I used to see her around the neighborhood I wonder how she grew up so good She belonged to Freddy and he was bad And I never was ready to make him mad

I'm glad I had to wait awhile
A little bit too juvenile
I needed to refine my style
A silk suit and a crocodile smile

So let the whole damn world go by 'Cause I just want to testify From now on it's me and my Sweet Potato Pie
