

# All the Wild Horses

Ray LaMontagne

All the wild horses  
All the wild horses  
Tethered with tears in their eyes  
May no man's touch ever tame  
May no man's reigns ever chain you  
And may no man's weight ever defrayed your soul

And as for the clouds  
Just let them roll  
Roll away  
Roll away

As for the clouds  
Just let them roll  
Roll away  
Roll away
